MY ACCOUNT & RESOURCES

New User Homepage (2025)

The new User Homepage is designed to keep front and center the user's course work.

My Courses

This section lists the courses assigned to you that have a status of **not started** or **in progress**. These are the course pending in your cue.

New! My Account & Resources

This tile links to a page with tools to manage your account, view your training records, and access your program resources.

Catalogs

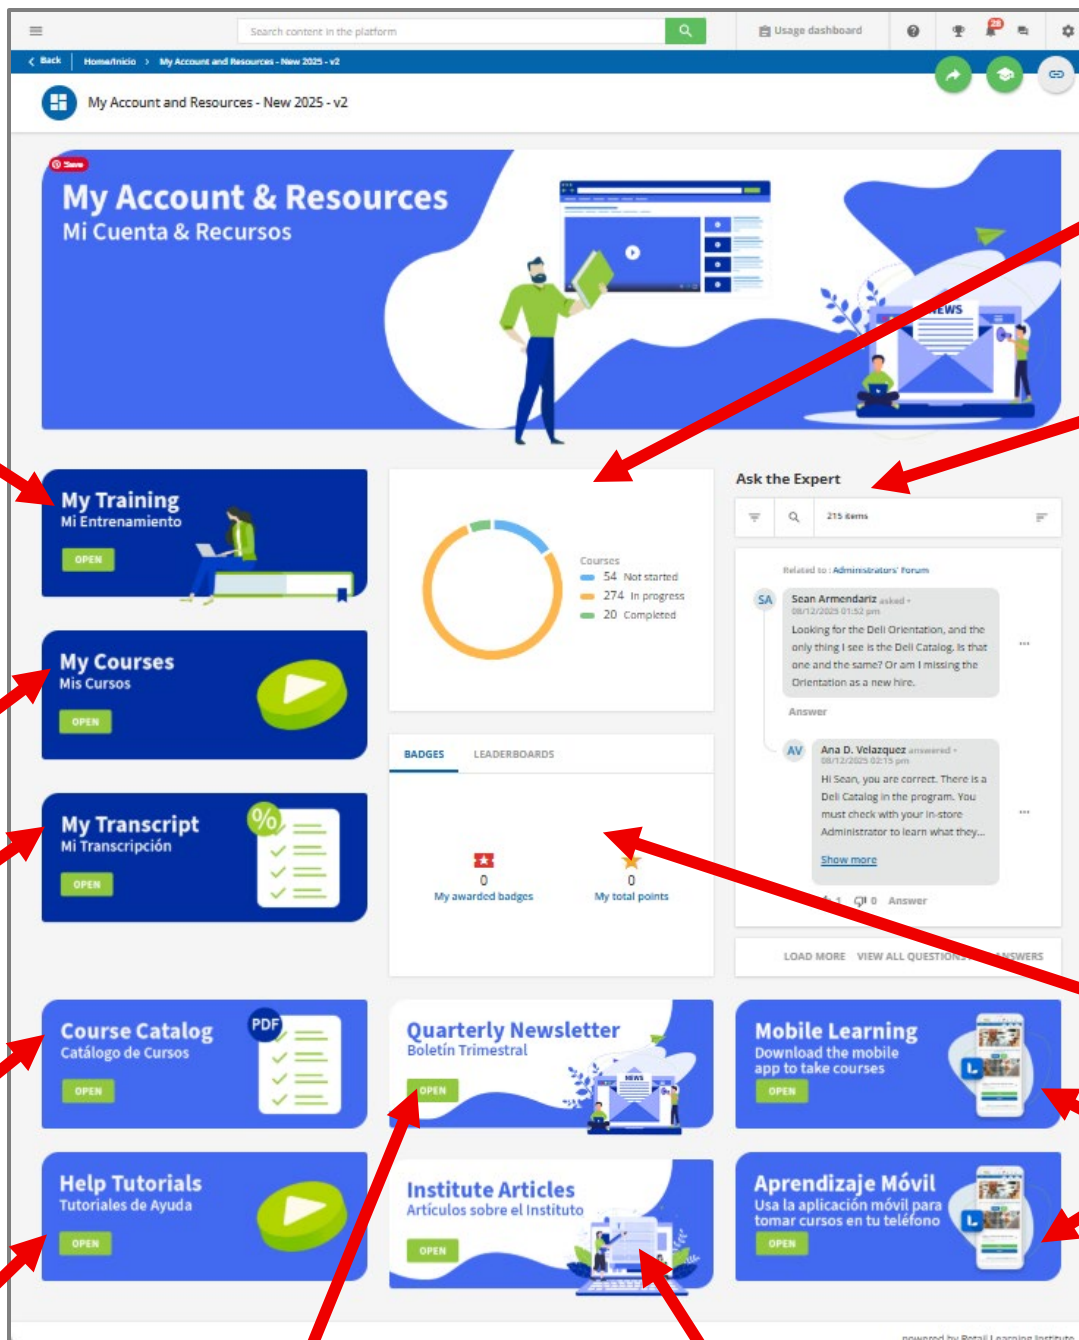

These tiles access the catalogs that house all the available courses.

New! New Courses

Follow the **New Courses Channel** to learn of the newest course releases.

New My Account & Resources Page

This new page consolidates all the information for the user's account and the resources to manage the learning.

My Training

See a summary of your account & training activities.

My Courses

View all your courses and LPs. Click on the thumbnail to start a course/LP.

NEW! My Transcript

View a complete transcript of your course. Export as a pdf, xl or csv.

Course Catalog

View a pdf with all courses, and the top 25 courses.

Help Tutorials

View short videos on how to use the program.

New! Quarterly Newsletter

Learn about all that is going on in the Institute (courses, programs, members, partners, etc.)

New! Articles

Read published articles about the Institute, our partners and members.

Course Status

See a summary of your courses' status.

Ask the Expert

Post your questions or comments and we will respond (during business hours). View and search past questions/answers from your other learners.

My Badges

See the badges you have earned for your training and compete with your peers for the top rankings.

Mobile App

Download and setup the **Go.Learn app** in your device.
